A Dastardly Act.

**Calais Man Attempts Criminal
Assault on Young Girl.**

One of the most outrageous and das-
tardly criminal assaults which has been
committed in Barre for some time was
perpetrated yesterday afternoon. The
victim is the five-year old daughter of
Mr. and Mrs. Clifford Peake, of 127
Washington street. The deed was
committed by Myron A. Hutchinson,
of Calais.

Hutchinson has been living in Calais
and worked for Eli Holton of that place.
On Thursday he left his employment
and came to Barre to seek employment.
After lounging around the city part of
the day he went to Peake's house where
he has been since then.

Yesterday afternoon Mrs. Peake went
out riding with a Montpelier young man
and left Hutchinson in charge of the
four children while she was away.
About 5:30 she returned. When she
opened the door her little daughter
Forest was crying. She asked her
what the matter was but could get no
answer from her. She asked Hutchin-
son, who was upstairs, what was the
matter with the child and replied that
he did not know. Later Mr. Peake came
home and after hearing the story of his
wife, he examined the child. He im-
mediately went and found Sheriff
French and Hutchinson was arrested.

In speaking with a reporter this
morning, Mr. Peake said that Hutchin-
son told his wife that he was guilty of
the alleged crime which it is said he
committed yesterday afternoon. He
said the little girl was resting comfort-
ably this morning.

When Hutchinson was asked about
the matter by a reporter he denied all
charges that the Peake family accuse him
with. He says it is a put up job on the
part of Mr. and Mrs. Peake and he will
fight the case. Hutchinson is a man of
40 and has every appearance of being a
tramp. He has a short thick growth of
side whiskers, and his clothes are torn
in several places. His wife died a
short time ago and he has a number of
children living in Calais.

Hutchinson was brought before Judge
Barney in the city police court. The
case is being heard this afternoon, and
Frank J. Martin appeared for the re-
spondent and George T. Swazey pro-
secuted.

MONTPELIER SENDS INVITATION.

Mayor John W. Gordon received a
telephone message from Mayor John H.
Senter of Montpelier this afternoon stat-
ing that Montpelier is going to have a
grand celebration on Monday evening
and that all Barre people, including all
societies and sexes are cordially invited.
There will be a mass meeting in the
afternoon at Armory hall from the hours
of two to five and in the evening there
will be a grand display of fireworks.

Barre people will certainly appreciate
the cordial invitation which the genial
Mayor of Montpelier has extended to
them and a large delegation should at-
tend.

The Central Vermont Railroad will
be prepared to handle a large crowd
from Randolph, Waterbury, Williamst-
own and all intermediate stations on
that evening. Special trains will leave
Montpelier at 11 o'clock on the return
trips.

MADE HIS ESCAPE.

Sheriff George W. Smith arrested an
unknown man yesterday on Granite
street for intoxication. He was taken
to the headquarters. Sheriff Smith says
that he left him with Officer Pat Brown
while he went to the post-office. Brown
stepped out for a minute for something
and the man made his escape. Mr.
Smith went to Montpelier last evening
but failed to find him. He is employ-
ed in one of the local granite sheds and
lives in Montpelier.

Let's Talk it over

It has been suggested that the city so
called Gouldsbury lot be made into a
public park.

A local granite dealer stated this
morning that in his opinion the State of
New York could avoid lick Spain.
Dewey seems to be able to do it alone.

R. H. Beeman, representing the Star-
dard Oil Co., gave an exhibition at the
store of Prindle & Averill yesterday af-
ternoon and evening. He demonstrated
very clearly the safety of gasoline as a
fuel and the safety and comforts of a
vapor stove. He would pour burning
gasoline from one can to another, boil
gasoline in a can, fill a gasoline stove
tank with the opening of the tank on
the fire and many other similar feats.
He illustrated plainly that a can of
gasoline should accidentally ignite, one
should not be alarmed and throw it out
doors but let it burn off the outside of
the can and confine the flames to the
opening in the top of the can, when it
may be easily extinguished by drawing
a piece of paper across the opening of
the can excluding the air, and the flame
will immediately cease. Call at the
store of Prindle & Averill and examine
a vapor stove. It is worth seeing.

Having located for a short time at
241 North Main street I am prepared to
give lessons in first dress cutting and
finishing. Call for information.

Dewey's Message.

Is In The Hands Of Secretary Long.

Great Floods in Arkansas.

**American Missionaries Assassinated in Africa.
Another Spanish War Vessel Captured
by the Montgomery.**

DEWEY HAS CONTROL.

**HE CUT THE CABLE AND HAS DESTROYED
ELEVEN SPANISH SHIPS.**

WASHINGTON, May 7.—In brief Dewey states in his
despatch that he silenced the batteries completely. He cut
the cable himself and has the bay and everything else at his
mercy. He has, however, been unable to take possession
of the town of Manila on account of lack of men. The ves-
sels he destroyed are the Islande Cuba, Reina Christina, Cas-
tillia, Don Antonio, Don Juan De Austria and Velasco.
The cruisers taken are the Eleano, General Laso, Marquis
Del Duero. The gunboats captured are the Isle De Min-
danso and an armed transport. The report is longer than
expected. It was thought to be one sheet but others are
arriving. There are now four sheets and the message con-
tains several hundred words. The text of them will be given
out as translated.

WASHINGTON, May 7.—Secretary Long read the fol-
lowing to newspaper men as Dewey's report: "Manila"
May 1.—The squadron arrived at Malina at daybreak this
morning. We destroyed the battery at Cavite. The
squadron is uninjured and only a few men slightly wounded.
The only means of telegraphing is to the American consul
at Hong Kong. Shall communicate with him.
(signed) DEWEY."

Great Loss of Property.

LITTLE ROCK, Ark., May 7.—The
Arkansas river is on the rampage and
the damage to property is incalculable.
The loss is unknown. The situation is
serious and is growing worse every
hour. Everything for miles around is
flooded and several levees have been
broken.

And Still Another.

KEN WEST, May 7.—The Spanish
vessel Brig Frasquito has been captured
by the Montgomery. It contained
a cargo of beef and was brought here
this morning.

Missionaries Asasinated.

SIERRA LEONE, Africa May 7.—Ad-
ditional advices just received confirm
the reports of assassination of four Ameri-
can missionaries in a rebellion here.
The missionaries were sent here by the
United Brethren Christian Mission of
Dayton, Ohio.

Confirms the Report.

WASHINGTON, May 7.—Assistant Sec-
retary Vanderlip has just received a
cable from a friend on board the McCol-
lough during the battle. He says that
the Spanish fleet was totally destroyed
and that the best part of it all was that
no American ships were lost or even
damaged.

Denies Reports.

ROME, May 7.—The Vatican issues
an official denial of the reports that the
Pope advises Queen Regent to meditate.

Cadiz Police Make Arrest.

CADIZ, May 7.—A man by the name
of Hoyer has been arrested and imprison-
ed here for attempting to telegraph the
details and movements of the Spanish
warships.

China Pays Japan.

LONDON, MAY 7.—The representa-
tives of China today paid the represen-
tatives of Japan, £11,000,000 which is
the balance of the China-Japanese war
indemnity. Japanese troops will evac-
uate Wei Wai Wei immediately.

Their Last Chance.

HENDAYE, France, (near Spanish fron-
tier.) May 7.—Advices from Madrid say
that military dictatorship under Marshal
Campos is probable, as it is the last
chance to save the dynasty.

Death of F. B. Randall.

WASHINGTON, May 7.—It is announ-
ced here from Hong Kong that Frank B.
Randall, chief engineer of the dispatch
boat McCullough is dead. The cause is

**RECEIVED FROM DEWEY
AT CAVITE.**

WASHINGTON IS WILD.

**Dewey Says Exact Spanish Loss
is Unknown But is Heavy.--
Will Protect Foreign Res-
idents.**

Another Dispatch Received.

WASHINGTON, May 7.—Another dis-
patch from Dewey dated Cavite, May 4,
has just been received and says "Have
taken possession of the naval station at
Cavite and destroyed all fortifications.
Entrance of the bay is being patrolled
and I can take the city at any time. All
the men are in excellent health and
spirits. The Spanish loss is not fully
known but is very heavy. One hundred
and fifty were killed including the cap-
tain of the Reida Christiana. I am as-
sisting in protecting the Spanish sick
and wounded. There are 250 sick and
wounded in the hospital within our
lines. There is great excitement in Ma-
nila. Will protect all foreign residents.
Signed DEWEY.

Cable to Dewey.

WASHINGTON, May 7.—By direction
this noon, from the President, Secretary
Long sent the following cable to Com-
modore Dewey.

Washington, May 7, 1898.

excitement here over the news of
Dewey's great victory. Every one is
wild and nothing is too good for Dewey.

conflicts between the mobs and the po-

great excitement here and a riot is an-
ticipated at every moment by the author-
